### **About SASCO**

#### **Support Our Seniors – Make a Difference Today**

From humble beginnings caring for just 10 residents, SASCO@HongSan (Sheltered Home) has grown into a safe and nurturing home for up to 102 needy and frail seniors aged 60 and above. Many of them face financial hardship or lack family support, and rely on us for not just shelter, but compassionate, holistic care.

Beyond providing a place to stay, we create a meaningful environment through rehabilitation exercises, art therapy, outdoor activities, and festive celebrations - helping our seniors live with dignity, joy, and purpose.

#### **Your donation can make a real impact.**

Join us in caring for our seniors by contributing food and essential items. Every gift brings comfort, dignity, and companionship to those who need it most.
