

# Outpatient Pharmacy

# A hassle-free experience

## Satellite pharmacy

For your convenience, satellite (outpatient) pharmacies located on Levels 2, 3, 4, 5 and 7 of the Clinic Tower at the Ng Teng Fong General Hospital will dispense medications to you promptly.

## Help us help you

Our pharmacies aim to dispense medications to you promptly and accurately.

### You can help us by:

- Performing a medication reconciliation before seeing your doctor

Do a stock take of any excess medications you have at home and bring this list of medications with you to your next outpatient appointment. Drop them off at the Satellite/Outpatient Pharmacy before your appointment and we will do the rest.

- Bring your most recent prescription to refill

If you have more than one prescription for the same medication, please bring your latest prescription with you. Our pharmacy will refill medications based on the latest prescriptions by your doctor. Prescriptions from earlier visits will be deemed invalid.

- Pay while you wait

After registering you can proceed to make payment while we prepare your medications for you.

## Retail pharmacy

Located on Level 2 of the Clinic Tower, the Retail Pharmacy offers patients a one-stop centre for all their healthcare-related needs. Learn to manage minor ailments with advice from our pharmacists.

We wish you a speedy recovery.
